Purely Business!

The columns of a newspaper represent a valuable medium which afford to give advertising "notices" free any more than a merchant can afford to give away his goods or shoes. A newspaper is a legitimate expense, and its publications are its stock in trade, and advertisements should be paid for, no matter in what part of the paper they appear.

BANK TAXES.

Net Sum Paid into the City Treasury For Years 1897 and 1898.

The Bank of Mayville, the First National Bank, the State National Bank, Mitchell, Finch & Co's Bank and the Union Trust Company effected a settlement, in accordance with the recent decision of the Courts, with the city for the taxes due for the years 1897 and 1878.

The settlement was made through Councilman George H. Heiser, Chairman of the Ways and Means Committee, and was on a basis of valuation of 66¢ per cent, the same as adopted in the settlement at Lexington.

Following is the amount paid by each of the Banks:

First National Bank	\$2,243.57
State National Bank	1,105.83
Mitchell, Finch & Co's Bank	2,105.66
Union Trust Company	640.82
Total	\$7,284.00

The above institutions have made a proposition to the county to settle on the same basis, and a special meeting of the Fiscal Court has been ordered by Judge Newell for next Thursday to consider the matter.

THE YOUNG MEN.

What the Mayville Y. M. C. A. is Doing For Their Betterment.

At the Men's Rally Sunday Rev. John Barber of Birmingham gave a very helpful address. His theme was "A Young Man Who Threw Away a Kingdom." His remarks were splendid, and everyone present was benefited by this address.

The musical program kindly arranged by Mrs. Randolph Madison was all that could be desired. Dr. Smoot and Mrs. Blaine of New York sang beautifully the duet "As Pants the Heart." Mrs. Blaine, who has an exquisite voice, sang with sweetness and effect the solo "Calvary." Mrs. Randolph Madison presided at the piano with that rare gift of technique and knowledge which class her among the fine performers of the city.

Seventy five attended the meeting, which was one of the best held for some time. Secretary A. H. Lamb led the meeting in the absence of Prof. Waller, and Mr. A. D. Cole led the singing, lemonade being served during the meeting.

The State Election Commission created by the General Election Law will file a suit in the Bur-Burton Circuit Court this week to establish the validity of the law. An agreed state of facts has been made up. Judge Cantrell has promised to docket the case for trial during the present term.

All members of Mayville Lodge No. 52, F. and A. M., are requested to meet at Masonic Temple Wednesday afternoon at 1:30 o'clock to attend the funeral of Bro. John B. Gibson. Full attendance desired.

I was seriously afflicted with a cough for several years, and last fall had a more severe attack. I was so afraid I would not get relief, and being recommended to try a bottle of Chamberlain's Cough Remedy by a friend, who, knowing me to be a poor widow, gave it to me; I tried it and with the most gratifying results. The first bottle relieved me very much and the second bottle has absolutely cured me. I have not had as good health for twenty years. Respectfully, Mrs. Mary A. Beard, Claremore, Ark. Sold by J. James Wood, Druggist.

ABOUT BANK CHECKS.

The Drawer of the Check Must Put the Revenue Stamp On It.

Under the new War Revenue Law a 2-cent stamp must be put on every check drawn on a bank, and no one is allowed to affix the stamp except the person who draws the check.

The law is as follows, and it is so plain that no one ought to misunderstand it:

"That any person or persons shall make, sign or draw on any instrument, document or paper of any kind or description whatsoever, without the same being duly countersigned or otherwise authenticated, imposed thereon, or without having thereon an adhesive stamp to denote said tax, such person or persons shall be deemed guilty of a misdemeanor, and for each conviction thereof shall pay a fine of not more than \$500 at the discretion of the Court, and if the same be a criminal document or paper as aforesaid shall not be competent evidence in any Court."

It is, therefore, necessary for every check to have a stamp placed on it before it is presented for payment, and no one is authorized to do this except the man who writes it. A merchant out in the state who pays for a bill of goods or makes a settlement by check is the one who must, under the law, put the stamp on the check, and he MUST ALSO CANCEL IT.

A failure to do this subjects the party to a fine of not more than \$100.

After a hot day what is more refreshing than a cool ride on the Laurance?
